Re: Silesia Power Meeting 1-2 October 2008

Dear Mr. Raczyński,

Many thanks for your letter of 13 June requesting my - or the Embassy's - honorary patronage for the Silesia Power Meeting. I am very pleased with the envisaged cooperation and therefore also glad to confirm the patronage.

The two logos to be used on the conference call and documentation are attached to the reply e-mail.

Regarding your request for Danish speakers on Clean Coal Technology and the Danish Experiences, Mr Allan Mortensen is already busy organizing this. He expects to come back to you in time for the 19 June deadline.

Likewise, we will encourage relevant Danish industry to participate.

Thanks once again

Yours Sincerely,

Hans Michael Kofoed-Hansen
Ambassador
